Wednesday	Group 1	Astronomy	Cartoon Animation		Art	Sports Wheel
Thursday	Group 1	Art	Cartoon Animation		Astronomy	Theater

Art - Show your creativity! Experiment with a variety of media and expand your knowledge of classic art techniques - from pastels, watercolor, acrylic, and other fun filled projects. Create amazing 3D sculptures with recycled materials and paper mache. Focus your energy into creative drawing and a work of art. There is no limit to your imagination! (4 days)

Astronomy - Take a journey into the outer reaches of our solar system and beyond during our 4-day Astronomy course. All classes will be held in the Kika Silva Pla Planetarium and students will experience a variety of immersive and hands-on space related activities. (4 days)

Cartoon Animation - Let your imagination run wild in this 4-day multimedia adventure. Create your own interactive stories, animated adventures and creative comics. Learn drag-and-drop programming basics with Scratch (a project of the MIT Media Lab). Computer characters are at your command! (4 days)

Sports Wheel - Do you enjoying playing sports like soccer, volleyball, ultimate Frisbee or basketball or would you just like to try them out? Join the fun and get challenged. Every day is about a different sport. (2 days)

Theater - An improvisation workshop involving physical, vocal, and imagination exercises and games in the creation of scenes and imaginary environments. Students will be involved in work with other workshop participants and acting students in the creation of instant worlds on the creative stage. (1 day)

Zoo - Hear the call of the wild while learning about wild animals and their care. Have fun with some animal encounters. Learn about animal habitats and conservation on the wildest place on the Santa Fe College campus. (1 day)
