

Penny Wars: Students vs. Staff

*ALL proceeds will be donated to Santa Fe College's
United Way Campaign 2017

What's at stake? If the Students win the War, then Dr. Brown, Vice President of Student Affairs, will get a pie in the face! If the Staff win the War, our Student Body President, Cale McCall, will get a pie in the face!

Penny Wars: Rules of Engagement

The object of the game: each team must gain points by accumulating pennies (points), and the team with the most points wins. For every penny that is placed in a jar, that penny is a positive point; however, for each dollar bill increment that is placed in a team's jar, the amount is subtracted from the team's total points! The team with the most points at the end of the war wins, and the other team's President will get a pie in the face! The United Way @ SF Committee will provide updates on how many points each team has accumulated on a weekly basis, so look for these on Mondays in *Today* and *This Week*.
